Your banner should be textile (this can be sewn, embroidered, painted, printed, appliquéd etc.) It should be on a single pole, preferably wooden with a diameter of 25-50mm. Maximum length of the pole is 2440mm. A finial may be attached as long as the total length of pole and finial is less than 3m. The banner should be able to stand outside for 36 hours. Please do not include any crossbars, wires etc which make the banner rigid/act as a sail. A banner stand will be provided. Please ensure your banner has no offensive symbols, terms etc. (Steampunk Society has unfortunate initials after all.) We reserve the right to require a banner to be removed from the parade. Please complete this form and return it with a picture (either photo or sketch) of your banner by July 31st at the latest. Full parade details will be sent to you in due course. Parade will be Saturday morning at 10.20am as part of the opening ceremony. You may have a “colour party” of up to four people in total.

Text for the commentary: Max 50 words.
